Emergency Family and Medical Leave Expansion Act (EFMLA)

What is it? The EFMLA amends and expands the federal Family and Medical Leave Act (FMLA), on a temporary basis, to provide qualifying employees 12 weeks of leave if the employee is unable to work, including work-from-home, due to the need to care for the employee’s child (under 18 years of age) if the child’s school or place of care is closed or the child care provider is unavailable due to a public health emergency.

(Effective April 1, 2020 until December 31, 2020.)

Please answer the following questions to see if you may qualify for additional leave under the EFMLA:

Are you able to work in the office or remotely from home using regular or flexible work hours?
